

CRGL/DWB is a newly merged consulting firm specializing in services and solutions for the resource sector. With a close-knit team, a diverse client base, and a strong reputation for quality and service, the company operates offices throughout British Columbia.

Overview:

We are seeking applications for a full-time **Forest Technician** based out of our **Prince George** office. The ideal Candidate will manage full-phase cutting permit development project and take on a combination of office and field-based responsibilities. This position is available for an immediate start.

What We Offer:

- Tailored career growth opportunities within a team environment that recognizes talent
- A competitive wage, a comprehensive benefits package along with a bonus program
- A diverse range of work with a multitude of clients
- A fun, professional and safety-first work environment
- Flexible work arrangements ensuring work life integration

Job Responsibilities:

The Immediate responsibilities for the Forest Technician will include:

- Managing project deliverables to clients and ensuring projects meet timeline expectations.
- Conducting field work including timber reconnaissance, site plan data collection, riparian assessments, visual impact assessments, species at risk assessments, and quality audits of field work components.
- Office work may include developing pre-works, summarizing field data, report writing, creating site plans, completing appraisals, cutting permit submissions and other permitting as required.
- Supervising field crews.

Qualifications:

- Bachelor's degree or Technical Diploma in Forestry or Natural Resource Management preferred.
- 1–3 years of relevant forestry experience, such as layout, cruising, riparian assessments, site plan development, or silviculture.
- Candidates registered, or eligible for registration, with the Forest Professionals of BC as an RPF or RFT are preferred.
- Experience in forest planning and/or permitting is considered an asset.
- Supervisory experience and the ability to mentor junior field staff are preferred.
- Strong commitment to safe work practices.
- Valid Class 5 British Columbia Driving License; experience driving 4x4 trucks and ATVs

Compensation:

The pay range for this position is **\$28-\$34** per hour, commensurate with experience and qualifications.

Application:

If you are interested in working with us, please forward your resume and cover letter to resumes@dwbconsulting.ca with "**PG Forest Technician**" as the email subject line.

We thank all applicants for their interest; however, only those selected for an interview will be contacted.
