

CRGL/DWB is a newly merged consulting firm specializing in services and solutions for the resource sector. With a close-knit team, a diverse client base, and a strong reputation for quality and service, the company operates offices throughout British Columbia.

Overview:

We are looking for an outstanding individual to join our team of Resource Professionals. Our mission is to provide the highest calibre of service to meet the needs of our clients, and we are only as strong as the people on our team. We are seeking a **Senior Environment Professional - Project Manager**, who is motivated, positive, and dependable. Candidates must reside in **the Lower Mainland or Fraser Valley**. The final office location will be determined within the region.

What We Offer:

- Flexible work/life balance and a supportive, tight-knit team
- A comprehensive benefits package, including extended health, a bonus program, RRSP matching, professional development allowances, and more
- Opportunities to grow and build your career within a team that recognizes and develops talent
- A fun, professional, and safety-first work environment

What You'll Be Doing:

This position offers a combination of field and office work, and its responsibilities will generally include:

- Managing a portfolio of environmental projects and guiding project decisions related to technical approach, cost implications, and scheduling.
- Taking responsibility for project execution and providing oversight to team members, sub-contractors, and consultants to ensure the highest quality of work for our clients.
- Ensuring all work meets established standards for quality control and safety.
- Communicating directly with clients regarding project inquiries and updates.
- Managing your team's schedules, time-off requests, overtime approvals, and performance reviews.
- Preparing peer reviews, reports, professional assessments, and permit applications.
- Overseeing and supporting field duties.

Qualifications:

- A minimum of **8 years** of project management experience in the environmental field
- RPBio or PAg designation required; CPESC considered an asset.
- Excellent leadership abilities and experience managing a team
- Strong professional communication skills
- Valid Class 5 British Columbia driver's licence; experience operating 4x4 trucks and ATVs
- Physically fit and able to work outdoors, and willing to work in diverse and demanding conditions

Compensation:

- The hourly range is between **\$45-\$55** and will be commensurate with experience.

Application:

If you are interested in working with us, please forward your resume to biologyteam@crgl.ca.

Applications will be accepted until the position is filled. We look forward to hearing from you!

We thank all applicants for their interest. Only those selected for an interview will be contacted.
