

Chartwell Resource Group Ltd. is a consulting firm specializing in services and solutions for the resource sector. With tightly integrated Engineering, Forestry, GIS, and Biology departments, Chartwell has a close-knit team, a diverse client base, and a reputation for outstanding quality and service. Our Head Office is located in North Vancouver, with additional offices in Squamish, Chilliwack, and Gibsons.

Overview:

Chartwell Resource Group Ltd. is looking for an outstanding individual to join our team of Forest Professionals. Our mission is to provide the highest calibre of service to meet the needs of our clients, and we are only as good as the people on our team. We are looking for a full-time **FOREST AND VEGETATION FIELD TECHNICIAN** who is motivated, positive, and dependable. The position will be based out of our North Vancouver and/or Squamish office(s).

What We Offer:

- Opportunities to grow and build your career in an environment that recognises talent.
- A fun yet professional and safety-oriented work environment
- A diverse range of work with a multitude of clients
- A competitive salary commensurate with experience
- A comprehensive benefits package along with a bonus program and yearly equipment allowance
- Detailed on-the-job training and mentorship programs

Job Description:

Applicants should expect primarily field-based duties and will be involved in Coastal and Interior vegetation management activities. Travel within the Province is a requirement (up to 10 days at a time). Successful candidates will join our team of ABCFP/APEG/ISA accredited staff. Responsibilities for this position will include, but are not limited to:

- Utility Right-Of-Way Vegetation Layout, Patrolling, and Inspections
- Data collection using ArcGIS Field Maps and Survey123
- Office-based activities such as Vegetation Management package preparation and Patrol reviews
- Clearly communicating with landowners and contractors

Qualifications:

- Minimum one-year field experience
- Registered or eligible for registration with the ABCFP as a RFT, TFT or FIT (ISA Certification is an asset)
- Experience with Microsoft Office, ArcGIS Field Maps (or Collector) and additional related GIS programs
- Valid Class 5 British Columbia Driving License; experience working with trucks and ATVs
- Professional communication skills
- Knowledge of BC's vegetation and environment
- Physically fit and able to work outdoors; willing to work in diverse and demanding conditions

Application:

If you are interested in working with us, please forward your resume with cover letter to forestryteam@crgl.ca. Applications will be accepted until the position is filled. We look forward to hearing from you!

We look forward to hearing from you!

We thank all applicants for their interest; however, only those selected for an interview will be contacted.
