

Chartwell Resource Group Ltd. is a consulting firm specializing in services and solutions for the resource sector. With tightly integrated Engineering, Forestry, GIS, and Biology departments, Chartwell has a close-knit team, a diverse client base, and a reputation for outstanding quality and service. Our Head Office is in North Vancouver, with additional offices in Chilliwack, Squamish, and Sechelt.

Overview:

Chartwell Resource Group Ltd. is looking for an outstanding individual to join our Environmental Services (Biology) Department. Our mission is to provide the highest calibre of service to meet the needs of our clients, and we are only as good as the people on our team. We are looking for a full-time Junior Biologist or Biology Technologist who is motivated, positive, and dependable. The position will be based out of our Chilliwack office.

What We Offer:

- Opportunities to grow and build your career in an environment that recognises talent.
- A fun yet professional and safety-oriented work environment
- A diverse range of work with a multitude of clients
- Competitive salary commensurate with experience
- Comprehensive benefits package along with a bonus program and yearly equipment allowance
- Detailed on-the-job training and mentorship programs

Job Description:

Applicants should expect a mix of office and field-based duties. Field work will generally occur in the Fraser Valley, Metro Vancouver, and Sea to Sky areas, but travel within the province may be a requirement occasionally. Successful candidates will join our team of ABCFP/APEG/CAB/ISA accredited staff. Responsibilities for this position will include, but are not limited to assisting with:

- Stream classifications and riparian assessments
- Fish and wildlife habitat assessments and inventories
- Fish and wildlife salvages
- Nest surveys
- Environmental Impact and Overview Assessments
- Riparian Area Protection Regulation Assessments
- Environmental monitoring

Qualifications:

- Minimum 1-2 years experience doing similar work
- Registered or eligible for registration with the College of Applied Biology as an RPBio, RBTech, or BIT
- Experience with Microsoft Office, ArcGIS Field Maps (or Collector) and other GIS programs
- Valid Class 5 British Columbia Driving License; experience working with trucks and ATVs
- Professional communication skills, excellent writing skills
- Physically fit and able to work outdoors; willing to work in diverse and demanding conditions

Application:

If you are interested in working with us, please forward your resume with cover letter to biologyteam@crgl.ca. Applications will be accepted until the position is filled.

We look forward to hearing from you!

We thank all applicants for their interest; however, only those selected for an interview will be contacted.
