

Chartwell Resource Group Ltd. is an established consulting firm that provides innovative solutions and outstanding quality services to solve challenging issues in the natural resource sector. Serving a diverse client base, our highly skilled and collaborative team of Engineers, Foresters, Project Managers, GIS Specialists, and Biologists strive to deliver solutions that are operationally practical and environmentally responsible.

Overview:

Chartwell Resource Group Ltd. is looking for **SEASONAL FORESTRY TECHNOLOGISTS** to join our team for the 2023 field season. Positions are available in our Squamish office. Applicants should expect a heavy field component in their duties and must be willing to travel within the province for up to 10 days at a time. Successful candidates will get hands-on experience in both Coastal and Interior Forest operations and would be under the supervision of our ABCFP or APEG accredited members. Work terms of 4 or 8 months are available.

What We Offer:

- A diverse range of work with a multitude of clients
- A fun and professional safety-first work environment
- Detailed on-the-job training and mentorship programs with our many professionals
- Opportunities to grow and build your career in a team environment that recognizes talent
- A competitive wage, with compensation for travel and meal per diems

Job Opportunity Descriptions:

Operational Forestry Support

- Field layout of cutblocks and roads
- Preparation of project deliverable documents for cutting and road permit applications
- Assisting with road inspection and deactivation prescriptions
- Powerline and Independent Power Producer (IPP) project assistance
- Silviculture assessments

Vegetation Management Support

- Utility Right-of-Way Vegetation Layout, Patrolling and Inspections
- Data collection using ArcGIS Field Maps and Survey123
- Office-based activities - Vegetation Management package preparation and Patrol Reviews
- Communication with landowners and contractors

Qualifications:

- Enrolled in, or have graduated from a forestry-related post-secondary program, with an interest in pursuing a career in the forest industry
- Preference will be given to those with field experience, however this is not a prerequisite
- Ability to identify tree species and vegetation
- Basic orienteering skills
- Strong organizational skills and a working knowledge of applicable computer software (Microsoft Office, RoadEng, iPad, etc.)
- Ability to execute daily physical activities with endurance and strength
- Valid Class 5 Driver's Licence

Application:

If you are interested in working with us, please forward your resume with cover letter to forestryteam@crgl.ca. Applications will be accepted until **February 28, 2023**. We look forward to hearing from you!

We thank all applicants for their interest; however, only those selected for an interview will be contacted.
