

Chartwell Resource Group Ltd. is an established consulting firm that provides innovative solutions and outstanding quality services to solve challenging issues in the natural resource sector. Serving a diverse client base, our highly skilled and collaborative team of Engineers, Foresters, Project Managers, GIS Specialists, and Biologists strive to deliver solutions that are operationally practical and environmentally responsible.

Overview:

Chartwell Resource Group Ltd. is looking for outstanding individuals to join our Engineering and Roads team. Our mission is to provide the highest caliber of service to meet the needs of our clients, and we are only as good as the people on our team. We are looking for a full-time entry level **Engineering Technician**, to fulfill key roles within our diverse and professional team. The position can be based out of North Vancouver or Squamish.

What We Offer:

- Opportunities to grow and build your career in an environment that recognizes talent
- A competitive salary commensurate with experience, and a bonus program
- A comprehensive benefits package that includes RRSP matching
- A fun yet professional and safety-oriented work environment
- A diverse range of work with a multitude of clients and across a variety of sectors

Job Description:

Applicants should expect primarily field-based duties (80 % or more) and will be involved in collecting field data to facilitate prescriptive repair work and design packages for engineered crossings, roads, and other resource-related infrastructure projects. Responsibilities for this position will include, but are not limited to:

- Resource road inventory prescriptions and data compilation
- Topographic site surveys using a total station and/or RTK GPS
- Summarizing data into scopes of work for contract tendering
- Construction assurance monitoring for roads and related infrastructure

Qualifications:

- Recent graduate of a post-secondary diploma or degree in Engineering or related program of study
- A positive attitude and attention to detail is crucial
- Excellent oral and written communication in English
- Valid Class 5 British Columbia Drivers License; experience working with trucks and ATVs
- Physically fit and able to work outdoors; willing to work in diverse and demanding conditions
- Engineer in Training (EIT) is considered an asset

Salary Range: \$27.00 - \$32.00 Hourly

Application:

If you are interested in working with us, please forward your resume with cover letter to engineeringteam@crgl.ca. We look forward to hearing from you!

We thank all applicants for their interest; however, only those selected for an interview will be contacted.
